Newsletter 26<sup>th</sup> January 2018

Dear Parents,

Our Science enrichment week will be taking place on the week beginning 12<sup>th</sup> February. Each class is taking on a theme for the week based on "Discoveries" in different areas of Science. If you have any Science skills or have a Scientific occupation that you would be happy to share with the children, we would love to hear from you (we would particularly like to hear from any female Scientists.) Please contact Mrs Willetts if you feel you can help us out.

#### WORLD BOOK DAY

Thursday 1<sup>st</sup> March

In a slight change to the norm, this year we have decided to celebrate bedtime stories. The children may come to school dressed in pyjamas, onesies and dressing gowns. They may bring their slippers and their favourite bedtime stories and cuddly toys.

Parents will be able to come to school from 2.30pm to read with their children and have a hot chocolate and a biscuit. Mrs Bishop will also read the whole school a bedtime story at the end of the day! Parents are welcome to also come in their pyjamas should they wish to!
